

REMARKS

Claims 1-48 are pending in the application. Claims 1-48 have been revised to further clarify the applicants' invention as electronic patient healthcare systems, methods, or storage media that take place after a diagnosis and lead up to and follow a medical event required by a previously diagnosed medical condition. The amendments are fully supported by the specification as originally filed. No new matter is presented by the amendments. Accordingly, applicants respectfully request entry thereof, and consideration of claims 1-48.

Applicants believe the pending application is in condition for allowance. An early notice to this effect is earnestly solicited. Should there be any questions concerning the foregoing, Examiner Morgan is invited to contact the undersigned at the telephone number listed below.

No additional fees are believed to be required for entry and consideration of this response. Nevertheless, in the event that the U.S. Patent and Trademark Office requires any additional fee to enter this response or to maintain the instant application pending, please charge such a fee to the undersigned's Deposit Account No. 50-4494.

Dated: August 15, 2008

Respectfully submitted,
